- ✓ Fully printable in full colour design
- ✓ **With a special lamination after printing deliverable:**
high scratch resistance, particularly long durability, dirt repellent

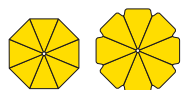

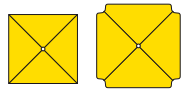

LARGE-SCALE PARASOL WITH CABLE PULL 3 - 4 m

LARGE-SCALE PARASOL WITH CABLE PULL 3 - 4 m

Large-Scale parasols are effective advertising and shade creator all in one. The solid construction, the maintenance-free structure, the wide variety and the easy handling make the Large-Scale parasols for the daily use in the gastronomy an ideal partner. The advertising motif, from simple line motives to extensive photo scenes, can be printed on the canopy itself and also on the valance. A special lamination for an ultimate scratch resistance and durability is optionally available.

PRINT					
<ul style="list-style-type: none"> woven polyester without lamination, approx. 200 g/m² for medium- to long-term use tent fabric rainproof up to 2000 mm of water, rainproof seams UV resistant, brilliant colours with very good light fastnesses special colours possible cleanable with a damp cloth valance or segment edge with edge binding (choice of 10 colours) Note: print without lamination must be handled with care to avoid scratches <p>Printing with lamination</p> <ul style="list-style-type: none"> woven polyester with lamination, approx. 220 g/m² recommended for longer-term use or frequent use at changing locations additional shield by the use of special protection lamination: high scratch resistance, dirt repellent, particularly long durability
